

WHAT'S BREWING WITH AIA VITALITY IN 2022

More reasons for you to #LiveWithVitality in 2022! Check out the the **new features and revisions which will be rolled out progressively** in the next few months.

1 SCORE VITALITY POINTS FOR COVID-19 BOOSTER SHOT

FROM 1 JUNE

- Earn 1,000 Vitality points for COVID-19 booster shot
- Submit your vaccination records dated within three (3) months from the vaccination date

BONUS

As a launch bonus, we will waive the 3 months validity for you to earn the 1,000 Vitality points!

If you have completed your COVID-19 booster shot on or before 31 May 2022, submit your vaccination record to submissions@aiavitality.com.sg by 31 August 2022 to earn 1,000 Vitality points. Please note that Vitality points will be dated as per vaccination date*.

* If you have already earned 1,000 Vitality points for COVID-19 Dose 1 and Dose 2 vaccination in the membership year, the Vitality points for the booster shot will be credited as Points Adjustment. Otherwise, it will be reflected as COVID-19 Vaccination in your points statement. As the Vitality points for the booster shot will be awarded based on vaccination date, you may level up your Vitality status with the backdating of Vitality points. Therefore, please note the following:

-- Insurance premium discount/ PowerUp Dollar: If you have already made premium payment or have received the premium payment notice for your AIA insurance plan(s) stating your premium discount based on your Vitality status, there will be no refund or adjustment of premium with the level-up status. The PowerUp Dollar for your insurance policy, if applicable, will be reflected on your Participating Policy Annual Statement/Fund Activity Statement. Please note that insurance premium discount/PowerUp Dollar is based on your Vitality status 45 days before the insurance policy anniversary.

-- Travel benefit: The travel benefit will be based on your Vitality status at the point of booking. For example, If you have already enjoyed the travel benefit based on Silver status at the point of booking, but now level up to Gold status with the backdating of points, there will no additional rebate/discount given.
